

## Newsletter – December 2016

Greetings from the Pearl of Africa! As my family celebrated Thanksgiving yesterday, I thanked God for all of the faithful sponsors like you who are making such a difference in the ministries of the Restoration Assembly Church in Kampala, Uganda. I hope you will take a few moments to read about our exciting plans for the new year below!

**PRIMARY SCHOOL** Last year at this time, we began construction on the new Primary School. When I went to Uganda 6 months ago, the facility was constructed, but without doors and windows. We now have the doors and windows and will be hoping to finish construction next year with plastering and floors. The students just finished their end of year exams and will promote to a new grade in January!

**STARTING A SECONDARY SCHOOL:** For years our school has operated 10 grades: **three** preschool grades and **seven** primary grades. But once a student graduates from Primary 7 (equivalent to the 6<sup>th</sup> grade in the US), we have to send them to other Secondary Schools. But starting in January we are planning to launch the “Restoration Secondary School” with the first two grades of Secondary 1 and 2. Our goal will be to operating a complete Secondary School with 6 grades within two more years. Thus we will be able to provide sponsorships for a students complete grade school education.

**OUR NEED:** Once again, we are facing a God-sized task. The need is to raise about \$10,000 before the end of the winter break to make this dream possible. We will be requiring the funds to build on two additional classroom spaces onto our church facility. Construction has already begun as you can see in this picture. Additionally, there are fees to get accredited with the Ugandan Education Dept. to operate a Secondary School...and then of course we must hire quality teachers to maintain our high standards of academic excellence.

**YOUR HELP:**

People in Uganda are fasting and praying daily for God to provide for the start of this Secondary School. Would you please ask the Lord to provide everything we need to accomplish this vision? TO be

able to keep students in our Christ-centered environment all the way through High School would be life-transforming for so many. This is a dream we have been praying about for years.

**END OF YEAR GIFT?** As December is a collection month, *would you please prayerfully consider giving an additional one-time donation along with your sponsor gift?*
